## LETTER OF TRANSMITTAL

Deputy Director: Tom Schmidt

South Carolina Department of Veterans Affairs

To His Excellency, Carroll A. Campbell, Jr., Governor of South Carolina:

Sir:

We have the honor to transmit herewith the Annual Report of the South Carolina Department of Veterans Affairs for the year ending June 30, 1991.

This year we are proud to include a section on Monetary Benefits received by South Carolina veterans as an indirect result of two new outreach programs at our satellite offices at the VA Hospitals in Charleston and Augusta in the amount of \$3,089,402.

Also we are experiencing additional increases in claims, resulting in monetary benefits, as more patients are admitted to the new State Veterans Nursing Home, and as the 6,000 Reservists and National Guardsmen return home to South Carolina from Desert Shield and Desert Storm.

The South Carolina Department of Veterans Affairs is proud of this report and continues to serve all 353,940 veterans and their families with pleasure.

Respectfully yours,

Bill J. Sams  
Director

BOARD OF COMMISSIONERS  
The Governor, Chairman  
The Attorney General  
The Adjutant General

## **HISTORY and MISSION**

The Department of Veterans Affairs was originally created in 1927, as the State Service Bureau, by an Act of the General Assembly of the State of South Carolina for the purpose of "assisting all ex-servicemen, regardless of the wars in which their service was rendered, in filing, presenting and prosecuting to final determination all claims which they have for money compensation, hospitalization, training and insurance benefits under the terms of federal legislation relative thereto."

The original Act was amended in 1945 by providing for a County Service Officer (now County Veterans Affairs Officer) in each of the forty-six counties in the State and restating the purpose, as amended, "to ensure stabilization and coordination of the service work for and in behalf of the war veterans and ex-servicemen and women of South Carolina, in order that they may be guaranteed the maximum benefits granted by laws enacted by the National Congress."

The necessity for personal assistance to veterans in filing and pursuing claims and a continuing information program results from the legal principle that no veterans' benefits are awarded automatically - ALL MUST BE APPLIED FOR. The U. S. Department of Veterans Affairs is not a "hand-out" agency as all claims allowed must be justified; hence, skill and knowledge in service work comes into being when we know what evidence is needed to bring about a favorable decision.

There are approximately 353,940 living veterans in South Carolina as of June 30, 1991. This figure includes 17,900 women. As our veterans get older, more and more of them become eligible for increased service connected disability payments or non-service pension payments. Also, the death of a veteran may result in a claim being filed by his/her survivors. Our ranks are additionally being swelled by our newly discharged veterans and retirees of the Regular Service.

## **FUNCTIONS**

1. Assist veterans, their families and survivors in initiating, filing and prosecuting claims.
2. Work with and supervise our forty-six County Veterans Affairs Officers in helping them with individual cases.
3. Represent veterans before VA Rating Boards and Hearing Officers.
4. Publish timely informational bulletins and a newsletter on technical rules relating to veteran's benefits.
5. Assist and cooperate with all veterans organizations.
6. Conduct County Veterans Affairs Officer Schools.

7. Maintain complete files on all veterans whom we assist.
8. Assist other states in securing evidence needed to develop their claims.
9. Assist veterans in securing Social Security, welfare and related benefits.
10. Assist survivors and morticians in securing burial benefits.
11. Assist legislators with appropriate veterans' legislation.
12. Perform a humanitarian service in counseling disabled veterans, their widows, dependent parents and orphans in complete realization of benefits.
13. Assist veterans in filing applications for review of discharges and in obtaining disability retirement or an increase in disability retirement.
14. Assist in admitting veterans to VA hospitals and other facilities.

*In addition to the above functions, our personnel must be knowledgeable in many other facets of veterans benefits such as: education/training, insurance, VA hospitalization, Civil Service Preference, military hospital treatment, PX privileges, the different types of military retirement pay, outpatient treatment, burial in national and VA cemeteries, and State legislation as it pertains to veterans.*

## **STATE VETERANS NURSING HOME ANDERSON, SOUTH CAROLINA**

New Veterans Nursing Home is named after Sergeant Richard Michael Campbell.

At long last, the dream of a new state veterans nursing home has come to fruition. On Wednesday, November 14, 1990, the Richard Michael Campbell State Veterans Nursing Home, located near Anderson, was officially dedicated. Numerous dignitaries were on hand for the dedications, including State Commanders of the various veteran service organizations, Senator Strom Thurmond who gave the keynote address; Senator Fritz Hollings, a long time veterans advocate, and Governor Carroll A. Campbell, Jr., who along with many members of the Campbell family, and some 500 plus people gathered to pay tribute to a gallant young Army Sergeant who was killed in action in Vietnam on May 7, 1968 and in whose honor this magnificent facility is named.

The nursing home, when fully operational, will provide nursing care for 220 South Carolina veterans. The facility will be opened in stages predicated upon the General Assembly appropriating necessary funds to continue opening wings. The first wing of 44 beds was opened on March 4, 1991 and the second wing on May 1, 1991.

This agency is and will continue to provide itinerant claims service to the nursing home to insure that each veteran receives all the VA and state benefits they are entitled to.

## Retroactive Benefits Paid to SC Veterans

While the Monetary Benefit figures above represent the total amount received in South Carolina from the USDVA, the figures below represent amounts that our Department has been instrumental in obtaining via claims activities of this Agency. They are the direct result of favorable decisions by the USDVA and in no way encompass the total amount paid to veterans on a continuing basis.

|                     |  |
|---------------------|--|
| Fiscal Year 1987-88 | \$ 1,933,489                                   |
| Fiscal Year 1988-89 | 2,441,876                                      |
| Fiscal Year 1989-90 | 2,916,606                                      |
| Fiscal Year 1990-91 | 3,089,402 (an increase of 59.8% over FY 87-88) |

As indicated by the above data, retro benefits have increased significantly. This increase is directly attributable to the increase in our outreach programs: the opening of 2 new offices at the VA Hospital in Charleston and the VA Hospital in Augusta. Also, the opening of the new State Veterans Nursing Home can be credited with more claims activities.

# LEGISLATION

## 109TH GENERAL ASSEMBLY OF SOUTH CAROLINA

1991

The following veteran-related legislation was signed by the Governor during the 1991 regular session:

### Act No. 96

An Act to amend the *Code of Laws of South Carolina, 1976*, by adding Article 43 to Chapter 3, Title 56, so as to provide for special license plates for retired members of the United States Armed Forces and to provide a penalty for a person who commits fraud in the application for or use of the plate.

### Act No. 137

An Act to amend Section 30-15-60, *Code of Laws of South Carolina, 1976*, relating to the recordation of veterans' discharge and obtaining certified copy of registered discharge, so as to change the provisions regarding fees, permit the Register of Mesne Conveyances to designate the County Veterans' Affairs Officer to receive applications for certified copies and furnish the copies as provided by this section, authorize the clerk of court and the County Veterans' Affairs Officer to enter into an agreement pursuant to which certain responsibilities of the Clerk of Court may be devolved to the County Veterans' Affairs Officer, and provide that, upon transfer of the records, the County Veterans' Affairs Officer may issue copies as requested.

## **COUNTY VETERANS AFFAIRS OFFICERS CONFERENCE**

The annual conference on EVRs (Eligibility Verification Reports) was sponsored and conducted by this office for our County Veterans Affairs Officers and their staffs in October 1989.

Representatives of the major veterans organizations were present as well as officials from the US Dept. of Veterans Affairs Regional Office and key personnel from the US Dept of Veterans Affairs Medical Centers. One of the responsibilities of this office is to assist pensioners in filing their EVRs, an annual requirement by the US Dept of Veterans Affairs. The laws and regulations for reporting income for pension purposes are constantly changing, thus a meeting such as this is a necessary part of our mission. Also, this is an opportunity to introduce the newly appointed CVAO's to their colleagues and VA Staff.

## **COUNTY VETERANS AFFAIRS OFFICERS TRAINING SEMINARS**

Again this year we conducted training seminars for the County Veterans Affairs Officers. The seminar for the lower part of the state (23 counties) was conducted May 9, 1991, while the upper part of the state seminar was conducted August 22, 1991.

Topics discussed were non-service pension laws, post traumatic stress disorders, update on State Veterans Nursing Home, medical benefits and various administrative reports required by the South Carolina Department of Veterans Affairs. These informal meetings afford the counties question/answer time as well as time to share with other similar counties their common problems and solutions.
